

How to make PeKay's small box (Sky)

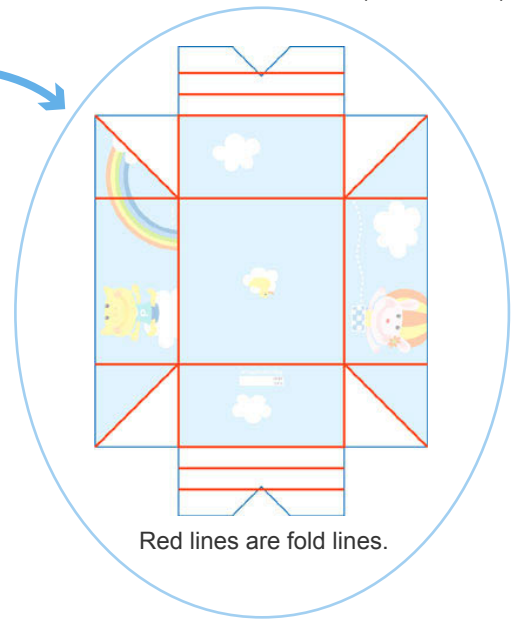

Size: 10 x 10 x 5 cms. (A4 Sheet)
3.8 x 3.8 x 1.9 inch (Letter Sheet)

1. Cut on the outside lines.

2. Use a stencil pen to trace the fold lines.

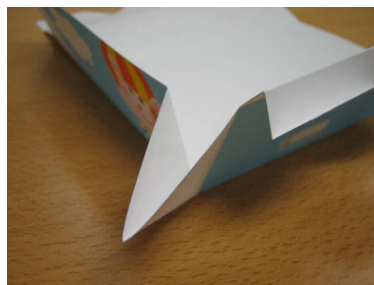

3. Fold the left and right edges to the center. After you have pressed the lines firmly, open it.

4. Fold the bottom parts.

5. Fold the handles as shown in the picture.

6. Fold the angled parts to the outside.

7. Do the same to the upper edge. Now we have every fold line we need to shape a box.

8. Put the edge of the handle part inside of the angled part done in step 6 .

9. Do the same with the other edge.

10. Follow step 7 to make the upper part. Now, we are finished.

Poster paper is recommended.

This box is perfect for go-for-it stickers (Sky).
